

Pass the PEAS Please!

As moms we are always trying to feed our children healthy.. sometimes it is not an easy task by far. Well not so with these easy to fix, healthy products from Peas of Mind. Don't let the name fool you,as they are not just about peas. They offer a great selection of yummy products. Plus they are organic, you can't get any better than that! I sampled one of their products for my daughter who loved it and so did my husband.. He finished the traces of what was left. Take a look for yourself at www.peasofmind.com Products are sold online and are in select areas at local stores. They are perfect for kids 12 months and up and most are ready in 2 minutes!
